Player wakes up a nice morning

Mom gives "mission" that 4 friends are just outside ready for some "quests".

player runs outside house and finds one friend who wants to play a game for rock-scissor-paper. And gives the player a gift if won.

other friend cant find his teddy, so player must find it,
and is given a gift if found.

Third friend will give a gift if the
player can answer a riddle.

Last friend is the players dog
who can talk when no one else is
close nearby.

boy and dog walks into the forest
where the last gift is, and finds a
cave that shouldnt be there.

where the player must chose to
give the funny looking animal all
the gifts of go to bed.

of bed then restart game,
if give all things then the tutorial
ends with a , will be continued...
